Topic: Donation to Veterans

Dear Brian,

Thank you for your generous donation of \$2,500.00 on September 14, 2023 to the Veterans Transition Center of California. Your support is vital to helping our Veterans reintegrate into civilian life and build their connections to the community.

Our mission is to empower Veterans to move from crises to self-sufficiency. At any given point, we have approximately 100 Veterans in our various programs. The VTC offers wraparound services, including a range of housing options, food, clothing, furniture, case management, therapy, substance abuse counseling, employment training, benefit referrals, and transportation to ensure no Veteran is left behind.

We could not do this without strong community support and are extremely grateful for your contribution.

Thank you again for helping us to serve our heroes. With your assistance, we can reach functional zero – where no Veteran is forced to be homeless!

Sincerely,

Kurt W. Schake, PhD
