Monterey, CA 93942-0791

Dear Brian,

Thank you for the recent Monterey County Bar Foundation grant benefiting the Mandell Gisnet Center. We appreciate receiving a grant for the second consecutive year.

This grant will support the mediation efforts we provide through the Center. Our dedicated panel of mediators and the students who learn about the power of mediation as part of their education and training are proud to serve the community. We remain committed to exploring partnerships with community organizations to offer convenient and safe ways for people to access dispute resolution services.

The Monterey County Bar Association and the Foundation are valued MCL partners. We value your recognition of mediation's importance and this investment in our success.

Sincerely,

Deborah Ewan Howitt
Assistant Dean of Development
